

PRO 650- \$299 USD

The PRO 650 (formerly the PROline 650) combines our all-around great sounding 40mm gold-plated Mylar driver used in the HFI-780 with all our PRO accessories for the ultimate studio tool. Our 40mm gold driver is well suited to any application making the PRO 650 great for mixing, tracking and many other studio and stage applications. It also shines in the home environment making this a good choice for movies, music and TV. Updated for 2008, the PRO 650 now features thicker earpads and headband pad, brushed aluminum nameplate on the earcups and a nylon hardcase to protect your headphones on the go.

Best For: Mixing, Keyboardist, Guitarist, Vocalist

S-Logic™

Ultrason headphones with patented S-Logic™ are the first headphones to utilize your entire ear in the listening experience. Through the use of decentralized driver positioning, S-Logic™ headphones aim the sound at the outer ear or pinna. Because the sound does not go directly down your ear canal as with conventional headphones, but instead filters off the outer ear as you listen and perception of distance, depth and instrument placement are greatly enhanced. You can hear the mix exactly as the engineer heard it in the studio.

Safer Hearing

An added benefit of S-Logic technology is an up to 40% (3-4dB) drop in SPL (sound pressure levels) for the same perceived volume. This means the Ultrasones put less pressure on your eardrum than any other headphones. Because of this, the risk of hearing damaged is greatly reduced and you can listen for longer without fatigue.

Tech Specs

S-Logic™ Natural Surround Sound

Dynamic principle

40mm Gold Driver

Frequency range 10 Hz-25 kHz

Impedance 75 Ohm

Max sound pressure level 95 dB

MU Metal bufferboard, ULE Standard 98%

Recommended minimum burn-in time: 16 hours

Weight 295 g (without cord)

Long-term availability of spare parts

PRO Box contains

Professional headphones

**2 detachable cables: one straight (length 3 m),
one coiled (length > 3 m) with gold-plated jacks 6.3 mm
and gold-plated adapter 6.3/3.5 mm**

Spare pair of speed-switch ear pads

Demo CD

Instruction manual
