

PRO 750- \$399 USD

The PRO 750 (formerly the PROline 750) from Ultrasone is the ultimate closed headphone if you're looking for clarity, precision and true sound. Featuring our exclusive 40mm titanium plated Mylar driver, the PRO 750 provides an amazing level of clarity that makes it perfect for mixing, mastering and critical listening. And with S-Logic™ natural surround sound and comfortable velour earpads, the PROline 750 will see you through many hours of listening in comfort. Updated for 2008, the PRO 750 now features thicker earpads and headband pad, brushed aluminum nameplate on the earcups and a nylon hardcase to protect your headphones on the go.

Best For: Mixing, Mastering, Critical Listening

S-Logic™

Ultrasone headphones with patented S-Logic™ are the first headphones to utilize your entire ear in the listening experience. Through the use of decentralized driver positioning, S-Logic™ headphones aim the sound at the outer ear or pinna. Because the sound does not go directly down your ear canal as with conventional headphones, but instead filters off the outer ear as you listen and perception of distance, depth and instrument placement are greatly enhanced. You can hear the mix exactly as the engineer heard it in the studio.

Safer Hearing

An added benefit of S-Logic technology is an up to 40% (3-4dB) drop in SPL (sound pressure levels) for the same perceived volume. This means the Ultrasones put less pressure on your eardrum than any other headphones. Because of this, the risk of hearing damaged is greatly reduced and you can listen for longer without fatigue.

Tech Specs

S-Logic™ Natural Surround Sound

Dynamic principle

Frequency range 8 Hz- 35 kHz

40mm Titanium-plated Mylar Driver

Impedance 40 Ohm

Max sound pressure level 94 dB

MU Metal bufferboard, ULE Standard 98%

Recommended minimum burn-in time: 24 hours

Weight 295 g (without cord)

Long-term availability of spare parts

PRO Box contains

Professional headphones

2 detachable cables: one straight (length 3 m),
one coiled (length > 3 m) with gold-plated jacks 6.3 mm
and gold-plated adapter 6.3/3.5 mm

Spare pair of speed-switch ear pads

Demo CD

Instruction manual
